

CITY Lights 2019

Project Title: 'Thermally Speaking'

Artist Group: LeuWebb Projects

Cristine Leu & Alan Webb

WORKSHOP PROGRAM & SCHEDULE

Kick-off Meeting

August 29th

5:00 pm to 6:30 pm

Conference Call

Go-To-Meeting call-in information will be emailed a few days before this date.

A presentation will be given by this year's artists Christine Leu and Alan Webb showcasing their past works and who they are as Canadian artists.

Further to this, we will be identifying the groups. This conference call will provide a quick overview of the site and explain the initial concept surrounding this year's installation.

Assignment: visit project site on your own time before next meeting.
